
Carat X6 Half Brick Case (Holds 6 Decks)

View 6 decks at a time while protecting them!

The **Carat X6 Half Brick Case** is made of clear 5mm archival quality acrylic to allow for unobstructed views of 6 of your favorite decks from all sides. In addition, it safely protects them from potential damage or harm.

The case edges are beveled, and the corners are rounded for a more elegant look and feel.

The back panel of the case is attached by 6 neodymium magnet pairs, which are 10 times stronger than regular magnets, for a secure attachment while still allowing for easy access to the decks inside.

Also included are 4 rubber pads with adhesive that can be attached to the bottom of the case to prevent scratching of the case or the surface on which it is resting.
