
Prime Time Carey by John Carey (2 Disc DVD Set) - DVD

John Carey is back!

After the success of the essential John Carey DVDs last year, Alakazam Magic is delighted to present to you **Prime Time Carey!**

In this two-volume collection, Carey continues on from the previous project with his renowned, minimalistic and streamlined approach to commercial card magic. Seventeen fantastic effects are presented for your enjoyment. All practical, doable and strong!

There's a great deal of variety on these DVDs and we just know that you are going to love watching, learning and then performing these gems.

In addition, Peter Nardi joins John for a fun interview where they discuss his thought process and style of card magic.
