# **Rubik Gone (Rubik's Cube) by Juan Pablo Magic**

## **RUBIK GONE!**

Using this gimmick, you can vanish, transpose and transform a full-sized Rubik's Cube! Transform a Rubik's Cube into candy, just like in viral videos! You can have a Rubik's Cube vanish and later appear in someone else's purse. You can solve a Rubik's Cube in under a second. You can even simply make the cube vanish into thin air!

This routine is super visual, and the gimmick allows you to perform many astonishing effects!
