
Life Magic by Lawrence Hass - Buch

Larry Hass is the Dean of McBride's Magic & Mystery School.

In this book about life and magic, you will find:

- A previously unpublished, deep-fooling card routine.
- An Inspirational public address about living as a magician.
- An essay about the important place of magic in our lives.

"With the publication of Inspirations, Larry Hass has made a significant and long-lasting contribution to our art."

- Lance Burton

"Larry Hass has personally helped me become a better magician and a deeper thinker."

- Jeff McBride

"Larry Hass is an inspiring teacher and a joyful man to know."

- Teller

"Thank you, Larry, for doing so much to help raise the intellectual level of our beloved art of magic!"

- Juan Tamariz
