
BULLET CATCH V by Mikhail Shmidt

Looking for excitement in your magic? You found it!

Produced by Mikhail Shmidt and Bond Lee, **Bullet Catch V** is one of the most dangerous tricks on Earth! Bullet catching is a classic trick with a fascinating history. Many have practiced this routine and spent years to master it.

This is a close-up version of this trick, which minimizes your risk and practicing hours.

Routine:

1. A bullet is loaded into the mini cannon.
2. The magician lights the wick and ignites the mechanism.
3. The bullet is fired, and the magician catches the bullet with his/her mouth.
4. The magician remains unharmed.

Note: Fuse and flash product are not included.
