
Performing Magic With Impact by George Parker, With Lawrence Hass, Ph.D. - Buch

Having performed over 4,500 shows in more than 25 countries, **George Parker** is a world-leading corporate magician. He has carefully guarded the secrets of his success... *until now*.

In this book for magicians, **George Parker** shares the thoughtful approach and performing material he uses to get hired for real-world corporate audiences. You will find:

- **9 fully developed magic routines** from George's professional repertoire, including his astonishing "Red Rope" routine ("12321").
- **10 engaging essays** that offer practical tools and professional techniques to improve the quality and dynamics of your shows.
- **An extraordinary final chapter** that teaches you, in detail, how to make your magic play bigger.
