## **IVY ENVELOPE by Danny Weiser, Bond Lee and Magiclism Store**

This envelope is one of the subtlest switching devices on the market!

Proudly presented by Danny Weiser, Bond Lee and Magiclism Store.

Imagine having the ability to switch a small object openly -- how powerful would that be in your performances?

**IVY ENVELOPE** is a utility device that allows you to perform numerous effects cleanly. Just to name a few examples:

- Signed card at impossible location
- Mentalism
- Prediction
- Appearing and vanishing small objects

Be creative and the sky is your limit!
