
Swift (Gimmicks and DVD) by Jofer Abata

Jofer Abata takes the Color Changing Deck effect to the next level!

If you are looking for a visual and impossible color changing deck, **Swift** is the right effect for you. This is the ultimate color changing deck utility.

Imagine the following: a freely chosen, signed card is lost in the middle of the deck. Then, while you're spreading the cards, you miraculously color-change the backs of the entire deck of cards in just a swift motion, except for the signed card.

A truly visual masterpiece!
