- Beware the People Weeping
- Plunge
- Solitaire

From the Introduction by Lawrence Hass:

*"Bob and I worked together to select the pieces for this book and their arrangement. In selecting from such a bountiful menu [of Bob's unpublished manuscripts], we sought pieces that reflected a diversity of tones, themes, and props. We also sought pieces that had especially interesting or deceptive secret methods... I hope you enjoy... the feast! Delicacies abound, sweets and savories. Magic light and dark: **Nine Uneasy Pieces.**"*
