
Phantom Tube by Bazar de Magia

A classic magic effect!

A tube is shown completely empty. The magician then covers both ends so nothing can get inside. Magically, upon breaking open one end, the magician pulls out silks and ribbons of different colors, streamers, etc. They keep on coming!!!!

Built in aluminum, it is very light. Its size makes it appropriate for close up or parlor magic.

Silver color - Size: 18 cm x 8.2 cm (7.2 inches x 3.3 inches)

Ideal for parlour magic, children's magic or close-up.
