
Butterfly Blizzard V5 (Refill ONLY) by Jeff McBride and Alan Wong

This is the 2021 version, fifth generation realistic paper butterflies created by Alan Wong for Jeff McBride's Butterfly Blizzard performance.

Butterfly Blizzard V5 has improved brighter colors and each butterfly now has 3 colors. There are 8 main butterfly colors in each unit: Red, green, yellow, blue, white, magenta, lavender and orange. Each box contains 12 units of colorful paper butterflies. Each unit has approximately 224 butterflies total 2688 butterflies in each pack. Refill packs sold only without performing instructions.

As described by Jeff McBride:

"Alan's butterflies are the best on the market! The Butterfly Blizzard is a highlight of my full evening show... It will become a great addition to your show too!"

- **Jeff McBride**, Creator of McBride's Magic and Mystery School
