
KLIK (Red/Gimmicks and Online Instructions) by Agus Tjiu

Welcome to **KLIK**! With just one click from a spectator's camera phone, they can witness the card literally changing as they take the shot and capture it in the fairest way in their phone gallery.

Effect: Spectator selects a card from the deck. The magician finds the **WRONG** card. The spectator holds up this incorrect card, and a photo is taken using **THEIR** camera phone. When the photo is viewed, the card has **CHANGED** to the **CORRECT** card, held by the spectator! Incredible!

- No augmented reality
- No apps required
- No switch
- Just a single card **KLIK**

Features:

- 2 special gaff cards, the 3 of Spades and 8 of Clubs
- Happens in their hand, in their camera phone
- Works automatically
- Available in blue or red back

Made with quality standards from Tjiu Magic, creator of "Cross" and "Leap", bringing this game changer to the standard "color change" effect - **KLIK** will astound your audience!
