
Papercuts: Intricate Hand-cut by Suzy Taylor - Pokerdeck

A unique set of playing cards, crafted by hand, through the intricate art of paper cutting.

Hunched over a magnifying glass, craft knife in hand, Suzy Taylor is the epitome of patience and precision. Beneath her tiny blade is a blank sheet of paper, but in her imagination, a dizzyingly complex design is waiting to reveal itself. Days later, thousands of minuscule slivers of paper litter the tabletop and what is left is an intricate lace, extremely delicate and supremely beautiful. This is the time-honored tradition of paper cut art and this is the new **Papercuts: Intricate Hand-cut Playing Cards**.
