## **4FXII Lecture (Italian) by DARYL - Buch**

The **4FXXI Lecture in Italian** is a delightful peek inside the invite-only, 4F convention and the magic of Daryl Easton.

Daryl, "The Magician's Magician," was an incredible teacher and magician. He was voted one of the 100 most influential magicians of the 20th century by *Magic Magazine*. Daryl won the gold medal at FISM in addition to numerous other awards.

Fechter's Finger Flicking Frolic - The original close-up convention, also known as 4F, is an invitation-only convention. Known for including some of the BEST magicians, it's a rare opportunity to take a look inside.

Daryl Easton's notes are IN ITALIAN, and are only available while stock lasts.

When they are gone, they are not expected to be reprinted.
