
Handshields Jeans Edition - Pokerdeck

Handshields are back with a completely different idea in mind. This time, the **Jeans Edition** is focused on style. Most of us wear jeans and different denim clothes once in a while, so why not use denim cards as well? Match your cards with your most common outfit to bring personality and fashion to your Cardistry with the new **Handshields Jeans Edition**! This edition is limited to 2500 decks.
