## Malini Egg Bag Pro Red (Bag and DVD)

A trick that has successfully been sold for years is in stock and has now been reloaded. The classic **Malini Egg Bag**, a routine used over and over again with confidence by professional magicians today and in years past all over the world! See why!

An egg vanishes and is produced as many times as the magician wishes from an examined empty bag. Spectators can stick their hand inside the bag and not find a thing! A fabulous Bag and Egg routine, from Malini, recreated from ideas by Malini, Kaps, Ken Brook and Tamariz. You have never seen such a marvelous magic routine. When the audience sees the reactions of the participating spectators, the audience is amazed even more!

Manufactured with red high quality silk, absolutely beautiful material.

The set includes: **Mailni Egg Bag**, manufactured by Bazar de Magia and DVD with routine and explanations (English/Spanish) by Iñaki Zabaletta.
