## **Green National by theory11 - Pokerdeck**

Green and Gorgeous!

**Green National Playing Cards** is made in the USA using FSC-certified paper derived from sustainable forests, vegetable-based inks, and starch-based laminates. They're green - and eco-friendly!

### **Shielded in Gold and Green Foil**

**Green National Playing Cards** was inspired by mystery and the pursuit of power. Each tuck case is embossed and detailed with striking gold and green foil, inside and out.

### **Elegant, Intricate Gold Foil**

The tuck case, and the cards within, are all made in the USA using FSC-certified paper. Mysterious symbolism and elegant, playful imagery shield the cards inside - with breathtaking, intricate art by Harold Apples.

### **Completely Custom Faces and Backs**

Every aspect of the **Green National Deck** was designed from scratch. Even the Aces, Jokers, and court cards are filled with vibrant, colorful illustrations.
