
Bliss by Noel Qualter

BLISS - Bill Loaded Into Sharpie System

SMASH HIT AT BLACKPOOL 2018

Six years in the making, dozens of prototypes and thousands of hours of problem solving, Noel Qualter is finally ready to release BLISS.

BLISS is a breakthrough system that allows you to vanish a borrowed, signed bill and cleanly show both hands empty, only for the signed note to appear inside the Sharpie that they used to sign the bill! Bill to impossible location is a classic for a reason and what could be more organic than a regular, ungimmicked Sharpie?

You receive a precision engineered, custom designed prop that does all the hard work for you leaving you to enjoy the fantastic reactions this will generate. BLISS is so ingenious you'll almost feel sorry for your audiences that they don't get to witness the groundbreaking method.

**NO POCKET SPACE NEEDED
ANY BILL, PAPER OR PLASTIC
SLEEVES ROLLED UP, SUPER CLEAN VANISH
3 SECOND RESET
NO SLEIGHT OF HAND
SHARPIE CAN BE FULLY EXAMINED
ANY COLOUR REGULAR SHARPIE CAN BE USED**

"Like 'Q' in his lab, Noel Qualter has created a device that makes me feel like James Bond every time I use it."

- Tom Stone

"BLISS is such a precision made gadget, it practically does the magic for you. Such a smart method whilst still being easy to execute."

- Dynamo

"Such a brilliant original method. I'm a huge fan!"

- Kieron Johnson

"BLISS is a visual piece of magic that will leave your audience dumbstruck."

- Luke Jermay

"BLISS delivers a James Bond style execution to the Bill to Impossible Location. While 'Q' may be fictional, Qualter is doing it for real!"

- Paul Vigil

"Without a doubt, the best bill-to-pen solution available."

- Daniel Madison
