
Kainoa on Coins: Tablehopper's Quattro - DVD

Kainoa on Coins brings you the best sleight-of-hand and presentations from the Big Kahuna of Coins himself, Kainoa Harbottle. This series provides you with step-by-step techniques from one of coin magic's greatest practitioners.

Follow along, and you too will be able to master some of the most magical and practical methods available today. Don't let anyone fool you: hard work always pays off.

Tablehopper's Quattro

This is THE worker's routine when it comes to coins: ***Tablehopper's Quattro*** allows you to perform all of coin magic's greatest effects quickly and effectively within a tight structure -- perfect for both walk-around and formal shows.

Learn the "fingertip muscle pass," along with a variety of vanishes, that together are a buffet of coin magic for both the beginner and the professional.

This DVD will teach you the techniques you need to absolutely amaze people with coin magic.

Your imagination is what will make this versatile routine your own.
