
S.B. Tube by Bond Lee & MGI Magic

Smoke and bubble, the perfect combination.

Now you don't need to smoke a cigarette, or even another device to place smoke inside a bubble. **S.B. Tube** does it all. The **S.B. Tube** allows you to generate and blow smoke into a bubble. You can blow your regular bubble, and when you need smoke, just press the button -- magic happens!

Looks spectacular!

- Packs small, plays big
- Easy to use
- Includes online video instructions
