
Leon - Pokerdeck

A great deck in a luxurious box!

Introducing the **Leon Playing Cards**. These cards are meant to keep the essence of the classic Dr. **Leon Playing Cards**, while stripping them down to their most quintessential form. The box is printed on a special synthetic paper from EPCC, making it the most durable tuck box to protect your pasteboards. And, there's even a design printed on the inside of the tuck, lending a quality image right from the start. The playing cards are printed on USPCC Q1 grade crushed Bicycle stock, with Air Cushion Finish. This stunning luxury deck will have heads turning the moment people see it.
