## Vermillion by Think Nguyen - DVD

Hot on the heels of Think's Debut DVD, *Parallels*, comes **Vermillion** -- a DVD packed with jaw-dropping card magic. **Vermillion** also explores Think's take on estimation (a power weapon for any card worker).

Think is fast becoming one of the most talked-about card magicians in the world, with the top names in the business praising his work. Now is your chance to learn from this rising star.

"Think's card magic is fresh and fun to watch and perform. He has a little of everything, devastating subtleties, exciting plots, and technical sleight of hand. I highly recommend studying his work."

- **DOC DOCHERTY**

"Think's creations are a series of lovely beautiful things."

- **PAUL HARRIS**

"Think is insane! - His performances are slick, and his technique is impeccable. I'm a fan!"

- **PETER TURNER**

"Think creates and performs some of the most intelligent, innovative and original card magic I've had the pleasure of seeing. He combines a love of obscure methodology with a commitment to clear, direct and powerful effects. I'm confident that you'll thoroughly enjoy his offerings."

- **ROSS TAYLER**

"I LOVE THINK'S WORK!"

- **SHIN LIM**
