
Window Change by Smagic Productions

If you are looking for a perfect opener for your Money Magic Routine, this is for you. Welcome to: **Window Change**.

Window Change is proof that we Magicians absolutely can change Paper into Money! Or even \$1 into \$100!

Show an envelope with a see-through window. Through the window, spectators can plainly see a bill of one denomination (e.g., \$1.00). With a flick of the wrist, the bill INSTANTLY and visually changes into another denomination (e.g., \$100.00). The best part of all is that you can IMMEDIATELY hand out the envelope with the transformed bill inside. Spectators can remove the bill and will find nothing inside the envelope!!

- QUICK AND INSANELY VISUAL
- USE ANY CURRENCY
- EASY TO SET UP AND PERFORM
- RESET INSTANTLY
- SELF WORKING
- NO ANGLE ISSUES
- EVERYTHING IS EXAMINABLE
- GET HUGE REACTIONS

With **Window Change**, you are always ready to rock and roll any Money-type effect without anyone doubting your Magic Power. This is Smagic and the astounding effect is **Window Change**. Get yours now!
