
Mirage by JB Dumas and David Stone

"Another amazing David Stone release that I'll be carrying with me."

- Doug McKenzie

Endorsed and used consistently by magician, David Stone. Mirage is a compact, lightweight and versatile gimmick that allows for THE most visual deck vanish in history.

Based on the original vanishing deck created by Paul Harris, this ALL NEW ultra-flat device gives you the power to produce, vanish or encase your deck instantly. As you'll see in the trailer, the deck appears to vanish almost one card at a time, rapidly, until only the 4 Kings remain. Impossible!

Mirage can be **hidden in plain sight**, taking refuge in your deck until it's time to pounce.

Creator, JB Dumas, teaches 6 practical routines that force your spectator to question what they've just seen.

Visuals so stunning, spectators are forced to believe they imagined the moment.

It's really that clean.

A commercial miracle you can **perform anytime**, anywhere.

- Easy to do
- You control the speed
- Resets instantly
- Multi-purpose... Use for appearances, vanishes etc.

The perfect crescendo for your card routines.

"Definitely a keeper for your card magic."
