
Basic Clip (Black) by TCC

Do you get tired of bringing out card decks from old, fraying card boxes? Those do not leave a good impression on your audiences. It's time to upgrade to an attractive card clip that will always look great. Not only that, but it will keep your deck of cards in excellent condition!

- Aluminum alloy material, sandblasting texture.
- Strict oxidation process to keep its surface texture lasting
- The details of the jaws' design make it relatively smooth when playing cards are inserted into it
