
Secrets by Anthony Owen - Buch

Magician, mentalist, producer - Anthony Owen is a creative force to be reckoned with. Whether in television, mentalism, or the repertoires of his fellow magicians, his influence can be felt far and wide. Now he brings together a collection of his favorite "**Secrets**" from a lifetime of magic just for you.

This superlative compilation consists not only of mentalism, for which he may be best known, but also close-up and parlor/stage effects that will inspire and get your creative juices flowing. You'll be treated to effects with cards, coins, sleight of hand and mentalism (of course!), but this just scratches the surface. You also get miraculous routines using Anthony's favorite adhesive utility item, Changin' Glue; Out of this World effects; amusing anecdotes from a lifetime in magic; a section about television magic that any aspiring TV magician needs to read; and lottery and popular game show effects that will simultaneously amuse, entertain and baffle parlor or stage audiences.

This volume is packed with material for magicians and mentalists alike, and will likely sell quickly. You don't want to miss out. So, pull up a comfy chair and Anthony Owen will let you in on the real **Secrets** of magic. Order your copy today!
