## Stand Up Monte Expansion Pack by Garrett Thomas

Hey everyone,

I want to personally thank you for your support of and your excitement for **Stand Up Monte**! Since you're reading this, it's obvious that you have tried the effect and know how powerful it is.

In this ***Stand Up Monte Expansion Pack***, I want to give you encouragement and provide you with a variety of options that you can incorporate into the routine. Here you will receive new, updated techniques and exclusive tips to take your performances of **Stand Up Monte** to the next level.

In addition, I teach several bonus tricks and effects that you can use to make this powerful routine fit almost any situation. I even threw in a refill set, so you can get started right away! So, be in the moment and make that moment magic with the ***Stand Up Monte Expansion Pack***.

Thank you!

Garrett Thomas

**PLEASE NOTE:** This DVD is an expansion pack. I DO NOT teach the base routine here.
