
How to do Coin Magic by Zee - DVD

If playing cards are the poetry of magic, then coins must be the prose.

As a form of free expression, and performed with objects that virtually everyone carries, the possibilities are nearly endless.

But with all of the material out there about coins, it can be overwhelming. What if you're just starting to work with coins and don't know what to learn? That's why we made **How to do Coin Magic**.

How to Do Coin Magic is a modern video treatise on the art of prestidigitation with coins. Taking you from beginner to expert, the moves, concepts, and routines expertly taught by Zee are a treasure for any performer, whether new or seasoned.
