
REBORN by Bond Lee - DVD

After years of preparation, we proudly present our second billiard ball project to you: **REBORN**. In this 2-DVD set, you will learn many cutting-edge yet mesmerizing sleights, routines and ball gimmicks. These will boost your manipulation routine to a new level.

Bond Lee is collaborating with Ian Tsang and Bojan Barisic once again. Their contributions are extremely valuable to this spectacular project. Witness and learn some incredible ball moves and ideas!

REBORN is made for those seeking the most advanced resource on ball manipulation. If you have not looked at the prequel, "Born", we strongly recommend you do so.

Contents:

- Effective and powerful routines
- New applications for single, double and triple ball/shell stacks
- Flash Four production with palm towards audience by sleight of hand
- Visual color changes
- Extensive applications for the Flash Four ball gimmick
- Tips on ball holder and ball servant
- Sleeving techniques and applications

Fellas, Get **REBORN** and dive in!
