
Rainbow Silk Fountain Streamer by Yan Yan Ma and Magiclism

One of the classics of silk magic, and also one of the most beautiful.

The magician produces a silk streamer and, from it, then produces an endless wave of silks like a water fountain. At the end of this spectacular production, the fountain transforms into a beautiful silk waterfall!

Our silk fountain streamers are made out of the finest silks from China. Each has been quality checked by Hong Kong Magiclism. We guarantee that your **Rainbow Silk Fountain Streamer** will be of the finest quality.

These are stunning in appearance, and your audience will marvel at their surprising production and incredible beauty.
