## Gregory Wilson Presents The Peek Pack by Brian Gillis

**WHEN SUPERSTAR ENTERTAINERS WANT TO BE ENTERTAINED, THEY CALL BRIAN GILLIS. AND WHEN BRIAN NEEDS TO LOOK LIKE A SUPERSTAR, HE PULLS OUT THE PEEK PACK.**

This multiple-selection mental miracle is perfect for close-up or stand-up to manipulate the minds of the audience without manipulating the cards!

Brian has used this reputation-maker on Johnny Depp, Harrison Ford, Paul McCartney, Muhammed Ali, Charlize Theron, Eddie Murphy, Arnold Schwarzenegger . . . and some of the bigger names.

Even though it's easy to do, Brian has also fooled magicians with **The Peek Pack** over the last 20 years in all three rooms of the Magic Castle!

**"FIND OUT WHY THE PEEK PACK WENT DIRECTLY INTO MY CLOSE-UP AND STAND-UP SHOWS.**

*Picture this: Each and every card is peeked at - as the pack is riffled. Six spectators. Six selections. Six revelations.*

*During the show, I use a poker tell ruse of reading body language and facial expressions. After the show, this is the one that people tell me is completely believable.*

*Trust me when I say **The Peek Pack** is so strong that you'll want to toss out your Tossed Out decks and use this as often as possible!"*
