## **Project Z by Zee - DVD**

Do you want to learn a miracle vanish? Read on! One move, endless possibilities! Hailed as the next classic CGI level coin magic, this is a "no gimmick, no fuss" routine that only requires a coin!

From the everyday repertoire of Zee, we at SansMinds are excited to introduce our latest worker series... Behold the power of **Project Z**! An in-depth tutorial that covers everything you need to know to get started with this coin technique!

Not only does Zee go through various tips and techniques to help you improve your coin sleight, he also includes 8 high-impact routines from his very own personal arsenal, which of course can be altered to suit your personal style!

**TV rights not included with purchase. Please contact SansMinds Magic for TV rights.**
