
Derek Dingle in Paris, France by Mayette Magie Moderne - DVD

Derek Dingle (1937-2004) is considered by many to be the greatest card worker of the twentieth century. He revolutionized 20th Century close-up magic. Outstanding magician (coins, cards...), Dai Vernon, "The Professor," declared that Mr. Dingle was "The greatest card manipulator in the world." This video was shot in Paris, France, and offers you the most beautiful routines of Derek Dingle's career. Some of these amazing routines are revealed here for the first time! Discover or rediscover the genius of this man! You'll see what true card magic is all about.
