## Queens - Pokerdeck

With enough blood and sweat, even the simplest Pawn can become the most powerful piece on the board. The **Queens Playing Cards** embraces the inner fire and unrelenting drive of those brave enough to chase their passions. It speaks to the underdog who dares to defy the doubters with 10,000 hours of unbridled focus. It stands for those who realize that the most powerful piece is always the one they never see coming.

Produced by renowned playing card creator, Jason Brumbalow, and masterfully crafted by Expert Playing Card Company, the **Queens Playing Cards** features a sleek slipstream finish that provides an unparalleled glide and durability that can withstand the tireless pursuit of perfection.

The **Queens Playing Cards** is an infusion of classical iconography, bold modern design, and unchecked passion, created for the underdog whose raw talents and have yet to be realized.

Why should you fear the underdog? Because outthinking them only makes them smarter.

Because beating them only makes them work harder. Because the most powerful piece is the one they never see coming.

It's time to make your move with the **Queens Playing Cards**.
