
CCC Chinese Chop Cup by Ziv

Imagine a Chop Cup made of glass - well, it's here now! This is a new method -- it does not use magnets, does not use any glue, and all accessories can be examined. Wrap the **CCC Chinese Chop Cup** with a cloth, and incredible magic happens. Balls appear and disappear, seemingly at will. You'll love this, and so will your audience. And because it's made of glass, it's a magician fooler as well!! Includes all accessories.
