
Karate Coin by Zanadu Magic

Do you want to see your audience's eyes pop out with sheer amazement? With **Karate Coin**, you can do exactly that. Announce to the audience that you will now show off your Ninja Skills. Toss a Half Dollar into the air and POW! Your finger goes right thru the coin! Unbelievable!

Can be fully examined by the audience.

Includes a very special, real U.S. Half Dollar that has been specially created for this effect.
