
Prism: Night by Elephant - Pokerdeck

Are you seeking an absolutely beautiful deck of cards to show off? **Prism: Night Playing Cards** is a fully custom, unique, and beautiful deck of playing cards inspired by the explosion of light into rainbows when passing through a prism. Each card face is printed with an **extra layer of thick glossy ink** which catches the light and shines bright, rainbow colors at every angle. The courts are all custom, and the bold colors are striking and attractive. The tuckbox is also **fully covered in thick gloss ink** and bold design. Every face has the shiny ink so it will definitely stand out!

Features:

- Gloss ink on every card face
- Bold colors, unique design
- Tactile gloss layer on tuckbox
- Beautiful shine from every angle
- Printed by Legends Playing Card Company with Diamond finish
