## **Bicycle MetalLuxe Emerald Limited Edition by JOKARTE - Pokerdeck**

Exclusively, the **Bicycle Emerald Luxe** is back on the market! Collectors have been waiting for the return of these cards for a long time now, and they are finally back - now in an embossed black box with black foil. Jokarte is proud to have the exclusivity on these legendary cards. **DESIGNED and manufactured by the US Playing Card Company**. The Emerald Luxe was originally reserved for members of Club 808, but fell out of stock after 2 weeks. The Jack, Queen and King's black colors have been redesigned. These cards are perfect for collectors, magicians, and amateurs eager to buy a nice gift.

- Limited Edition Design and manufactured by USPCC -- Made in the USA for JOKARTE
- Bicycle made with MetalLuxe Technology (real metal applied on the cards)
- The most cherished luxury playing cards of our time
- Edition in Black Embossed Box

Magic finish enables cards to handle smoothly and last longer than less expensive playing card decks:
