
Odyssey by Rodrigo Romano and Bazar de Magia - DVD

"Creative ideas with Loops and definitely worth learning."

- Yigal Mesika

Rodrigo Romano is the creator of many surprising effects: Gilligan Prediction and Vertigo are just two of them. Now he surprises us once again with his ideas about Loops®. Lately, Loops® are among the most purchased magic tricks. Rodrigo Romano has been working on them since long ago. In these two DVDs, he presents 27 effects which you will be thrilled to add to your routines. More than two hours of pure magic that will inspire you to return to effects using Loops®, or to begin using them. In all routines, only everyday common objects are used -- the audience may inspect everything.
