
Fox Targets - Pokerdeck

True beauty is natural and elusive, much like the fox. Inspired by our love of nature, **Fox Targets Playing Cards** embraces an authentic, raw beauty that reflects the allure of the rugged outdoors.

Pixel by pixel, hand-crafted artwork art-directed by Jason Brumbalow and illustrated by Lance Miller. Masterfully printed by the Expert Playing Card Company on a premium stock and crafted with a smooth, slipstream finish.

All that glitters is not gold. True beauty is just knowing where to look.

Murphy's Magic Playing Card Co, is proud to present: the **Fox Targets**.
