## The Touch by Robbie Moreland - DVD

There are only a handful of magicians in the world whose magic is truly extraordinary -- Robbie Moreland is amongst those rare few.

Elegant, astounding and effortless. Robbie embodies everything that magic should be and on this DVD, you will learn his three signature routines, all taken directly from his working repertoire. Watching this will not only make you a better magician, but it will also make you a better creator and performer.

### Contents:

- **Vibes** - A sensational card routine which is packed full of unbelievable magic. The deck visibly disappears in order to find a freely named card at a randomly chosen location!
- **Bullet Proof** - One by one, coins effortlessly melt through a solid table. The ending of this routine will produce gasps!
- **The Burst** - Robbie's most well-known routine -- this incredible demonstration of "skill" is addictive to watch, as the aces are lost and found in an instant!
