The **Nocturnal Deck**, by Collectable Playing Cards, is a crisp feature deck that will stand out in any type of collection. The dark, yet vivid, colors stand out amidst a flurry of radical spikes and cracks. A contrast of dark blues and dark reds are combined against a black and silver card. The colors grow from dark to light creating a stunning fan.

The back cards feature floating spheres that pop off the card. Grey spikes and cracks surround the background and a red wave spirals into the center of the blue abyss.

The face cards are saturated in a blue and red glow. You can tell they have been awake for days.

The numbered cards illuminate from the center. The pips are custom with black borders and colored centers.

The Joker cards are a silhouette of the jester himself against a jet-black background.
