
Card Castle with Six Card Repeat by Mr. Magic

The magician drops cards on a table or tray - it is subsequently covered by a cloth. Within seconds, as the cloth is pulled up and removed -- a card castle approximately 17 inches high appears to be "built."

Perfect as a standalone effect or as a finale for effects like "Six Card Repeat" or "Dimension Cards."

- Perfect as a stand-alone effect or finale
- Packs flat
- Locks in place by holding the ribbon on top
- 6 card repeat
