## A Magic Variety Show (Limited/Out of Print) by Eric Hawkesworth - Buch

Looking for a source explaining wide-ranging magic effects? You've found it here! Eric Hawkesworth's *A Magic Variety Show* is a great book dedicated to creating an act containing multiple styles of traditional magic. These styles include Close-up magic, Stage Magic, Illusions, and Predictions. Also covered are magic's "fringe" arts: Paper Tearing, Drawing Ambiguous Images, Shadowgraph, etc. This book doesn't stop there -- Showmanship and Presentation are also covered. Of course, this book contains standard magic with Cards, Coins, and effects utilizing all the traditional Magicians' accoutrements.

Contents include:

- Chapeaugraphy
- Making and Forming the Chapeau Brim
