
Deceive (Gimmick Material Included) by SansMinds Creative Lab

SansMinds Creative Lab team is always pushing boundaries in revolutionary ways to enhance audience experiences.

SansMinds is proud to present to you, **Deceive**. A revolution - 'in the spectator's hand card change.' Your spectator sees and feels the magic moment, AND everyone around can SEE the visual change too!

This description doesn't justify how powerful **Deceive** is. Please, check out the trailer, NOW!

- * Fully customizable with your favorite playing card designs
- * Package includes gimmick material
- * TV rights not included with purchase. Please contact SansMinds for TV rights.
