
The Rising Cane (Black) - by JL Magic

Rising Canes is a FUN and EASY way to perform miracles that get fantastic reactions from children all the way up to adults! A small coin purse is shown to the audience. The purse is opened and out comes a GIANT cane! The magician makes a magical gesture and ANOTHER GIANT cane is pulled out of the coin purse. Just as their jaws are hitting the floor the magician pulls out yet a THIRD and final CANE!!! The length of each cane is about 35 inches (90cm)!! A fantastic visual to any show.

Note: Coin purse colors may vary
