
Mexican Bill Box (Plastic) by Mr. Magic

A box is shown to your spectator(s).

You hand it to your spectators -- ask them to try to open this mysterious box.

They will find it is totally impossible to open because it is completely sealed.

Next, you borrow a bank note, bill, or any other small object.

You then place the box and object behind your back (or place it under a table, under a napkin, etc.) and, in the blink of an eye, the object is **INSIDE** the box!

You hand the box out once again. No matter how hard they try, they cannot open the box!

Very Easy to do -- once you know the secret. The **Mexican Bill Box** -- lots of fun to perform!
