
Ambitious Chip (PK004) by Tango Magic

Marcelo Insua, a.k.a Mr. Tango, presents a great solution to perform an ambitious card routine with poker chips.

Here, you will find 3 different methods to perform the legendary card effect with chips. One of these methods use the incredible Tango touch (an unbelievable technique you will love) using regular poker chips and two other methods with gimmicked chips.

The set include everything you need and a link to video instructions. Enjoy another ingenious FISM invention award brought to you by Mr. Tango.
