
Bicycle Aurora by Collectable - Pokerdeck

Aurora is dawn in Latin, that's where this idea came from. The gold color (courts) representing sunrise and the silver (numbers) representing sunset (nightfall). The center of the back of the card is the sun.

Feast your eyes on the Aurora Deck created with a gold foil embossed tuck case and each card printed with metallic inks. The Aurora Deck is a great display piece for any card collection. Art work by Johnny Whaam and printed by USPCC.

All court cards are fitted in gold, while the numbered cards are fitted in silver. This combination gives this deck a unique appeal that no other deck has ever done.
