
Contrast (DVD and Gimmick) by Victor Sanz and SansMinds - DVD

Contrast is a single card color change that you can do to a SIGNED and TORN card. The change is extremely visual and can be done openly right in front of the spectators. Once the magical moment happens the card can immediately be handed out for examination. You spectator can also keep the impossible souvenir.

Words cannot explain how impossible this effect is! Check out the trailer NOW!

*Hand crafted gimmick included

*Two handling: Full card color change and 3/4 card color change

*Fully examinable

*TV rights not included with purchase. Please contact SansMinds for TV rights.
